No person, firm, partnership or corporation shall commence to operate any business or establishment in the Town without first obtaining a license therefor from the Town. It shall also be unlawful for a licensee to continue to engage in any business or activity after the license therefor has expired. (Ord. 453 §1, 2002)

Sec. 6-1-20. Applications.

Applications for all licenses required shall be made in writing to the Town on forms provided and containing such information as may be needed for proper guidance in issuing of the permit or license applied for. Licenses shall not be issued for incomplete applications. A separate application and license is required for each location of the business if the business has multiple locations. No license shall be issued to any person unless such person is over the age of eighteen (18) years and is of good moral character and financial responsibility. The Town shall keep a register of all licenses issued under this Chapter that includes the name and address of the licensee, the purpose of the license, the number of the license, the amount paid therefor and the license expiration date. (Ord. 453 §1, 2002)

Sec. 6-1-40. License fee.

There shall be imposed an annual license fee of fifteen dollars (\$15.00) for each license issued. When an applicant has not engaged in the business until after a portion of the licensing year has lapsed, the license fee and term shall be prorated in monthly increments to December 31 for each month or portion thereof during which the business has been or will be conducted. However; there shall be a penalty of fifteen dollars (\$15.00) for each month or portion thereof for any license purchased as a renewal of an existing license on or after January 1 for the licensing year, if the business was in operation on January 1 and the required applications were not submitted or the required fee was not paid prior to January 1. There shall also be a penalty of fifteen dollars (\$15.00) for each month or portion thereof for any new license purchased if the business was in operation and the required applications were not submitted or the required fee was not paid during the month that the business commenced. (Ord. 453 §1, 2002)

Sec. 6-1-60. Investigation.

Where any provision of this Article necessitates an inspection or investigation before the issuance of a license, a designated employee or officer of the Town, after presentation of proper credentials, may enter the building at all reasonable times to inspect the same; provided that, except in emergency situations, the employee or officer shall give the owner or occupant twenty-four (24) hours' written notice. The notice shall state that the property owner or occupant has the right to refuse entry, and such refusal is not a violation of law. However, if such entry is refused, inspection may be made after issuance of a search warrant by a duly authorized magistrate, based upon probable cause. (Ord. 453 §1, 2002)

Sec. 6-1-70. Transfers.

No license may be transferred from one (1) person or entity to another, or from one (1) place to another, except where permitted by state law or the provisions of this Code relating to the particular license, and then only after written application therefor and the payment of a fee of five dollars (\$5.00) for the transfer of such license.
