"(3) Signs used for designating the beginning and end of a maintenance, construction, or repair zone shall conform to department of transportation requirements. The department of transportation or local authority may display such signs on any fixed, variable, or moveable stand. Such a traffic infraction shall constitute a civil matter. The Colorado Municipal Court Rules of Procedure ('C.M.C.R.') shall apply to traffic infraction and/or offense proceedings, except that no warrant for arrest shall be issued for the defendant's failure to appear when the only violation charged would constitute a noncriminal traffic infraction and the defendant's driver's license is issued by the State of Colorado or any other state which participates in the Interstate Nonresident Violator Compact, as codified at Section 24-60-2101, C.R.S. Instead, the court may enter a judgment of liability by default against the defendant for failure to appear, assess any penalty and costs established by law and report the judgment to the appropriate state motor vehicle department which may assess points against the defendant's driver's license and may take appropriate action to ensure that the judgment is satisfied. "(3) The court in addition to any other notice, by published order to be prominently posted in a place where fines are to be paid, shall specify by suitable schedules the amount of fines to be imposed for violations, designating each violation specifically in the schedules. Such fines will be within the limits set by ordinance.

ARTICLE II

Abandoned Vehicles

Sec. 8-2-10. Abandonment of motor vehicle.

(a) It is unlawful for any person to abandon any motor vehicle upon a street, highway, right-of-way or any other public property, or upon any private property without the express consent of the owner or person in lawful charge of that private property.

(b) To *abandon* means to leave a thing with the intention not to retain possession of or assert ownership over it. The intent need not coincide with the act of leaving.

(c) It is prima facie evidence of the necessary intent that:

- (1) The motor vehicle has been left for more than seven (7) days unattended and unmoved;
- (2) License plates or other identifying marks have been removed from the motor vehicle;
- (3) The motor vehicle has been damaged or is deteriorated so extensively that it has value only for junk or salvage; or
- (4) The owner has been notified by a law enforcement agency to remove the motor vehicle, and it has not been removed within three (3) days after notification. (Prior code 13-4-114)

Sec. 8-2-20. Removal of vehicles.

(a) Police officers or other employees of the Town, acting in their official capacity, are authorized to remove or cause to be removed any vehicle from any street, highway, sidewalk or other public way or place under any of the circumstances described as follows:

- (1) When a vehicle has been abandoned as set forth in Section 8-2-10 above.
- (2) When any vehicle is left in a restricted or prohibited parking area as designated by an official posted sign.
- (3) When an unlicensed or inoperable vehicle as defined in Section 7-1-10 of this code is found upon a street, highway, sidewalk or other public way or place.
- (4) When removal is necessary in the interest of public safety because of fire, flood, storm or other emergency or disaster.

(b) Vehicles removed from any street, highway, sidewalk or other public way or place within the Town pursuant to this Section shall be placed in storage and shall be stored and disposed of in accordance with the provisions of state law at the expense of the owner. (Prior code 13-17-115)

Sec. 8-2-30. Notice of hearing.

(a) As to any vehicle removed or ordered removed by a police officer or other employee of the Town pursuant to the provisions of Section 8-2-20 above, within three (3) business days after such removal, the Town shall, if the owner of the vehicle has not sooner reclaimed the vehicle, give notice by mail or other means to such owner of the fact of such removal and impoundment, the reason thereof, the place to which the vehicle has been removed, and the right to a post-seizure administrative hearing.

(b) A person who has legal entitlement to possession of the vehicle has a right to a post-seizure administrative hearing to determine whether there was probable cause to remove and impound the vehicle. Said person must file a written demand for a hearing within thirty (30) days after the date of impoundment of the vehicle or within ten (10) days after the postmark date of any notice sent pursuant to the provisions of this Section. The written demand must include the owner's current address and a telephone number where the owner can be reached between the hours of 8:00 a.m. and 5:00 p.m. (Prior code 13-17-116)

Sec. 8-2-40. Hearing procedure.

(a) The Town Manager shall conduct a hearing within forty-eight (48) hours after receipt of a proper written demand therefor, unless such person waives the right to a speedy hearing. Weekends and holidays shall be excluded from the calculation of the forty-eight-hour period.

(b) The sole issue before the hearing officer shall be whether there was probable cause to remove and impound the vehicle in question. The hearing officer shall determine whether there was probable cause to conclude that the vehicle was subject to removal and impoundment under the provisions of Section 8-2-20 above.

(c) The hearing shall be conducted in an informal manner and shall not be bound by the technical rules of evidence. The hearing officer may receive all or part of the evidence in written form. The person demanding the hearing shall carry the burden of establishing that such person has the right to possession of the vehicle. The Town shall have the burden of establishing by a preponderance of the evidence that there was probable cause to remove and impound the vehicle in question. Failure of the

person who requested the hearing to attend a scheduled post-seizure hearing shall be deemed a waiver of the right to such a hearing; and probable cause, in such instance, shall be conclusively presumed.

(d) At the conclusion of the hearing, the hearing officer shall prepare a written decision. At that time, a copy of such decision shall be provided to the registered or legal owner or his or her agent. The decision of the hearing officer is final. (Prior code 13-17-116; Ord. 574 §1, 2005)

Sec. 8-2-50. Vehicles posted for sale.

It is unlawful to park any vehicle on any public property, roadway or right-of-way with the primary intent of displaying the vehicle for sale. Unless the property is licensed for such sale, it is unlawful to park more than two (2) vehicles on private property with a "For Sale" sign posted and/or with the primary intent of displaying the vehicles for sale. (Ord. 2008-619 §1)
