TOWN OF PLATTEVILLE

**Agreement for Payment of Review and Development Expenses Incurred by the
Town Annexation, Subdivision and Zoning Processes**

THIS AGREEMENT ("the Agreement") is entered into this _____ day of _____, 2010 by and between the Town of Platteville, Colorado, a Colorado municipal corporation, ("the Town") and _____, a Colorado corporation ("the Applicant").

WHEREAS, the Applicant owns or is the authorized agent of the owner of certain property situated in the Weld County, Colorado described on **Exhibit A**, attached hereto and incorporated herein by reference ("the Property");

WHEREAS, the development review process includes review of all aspects of land use including, but not limited to, annexation, subdivision, zoning, change of land use, site plan review, installation of public improvements, dedication of lands and the availability of and feasibility of providing utility services;

WHEREAS, the Applicant desires to develop the Property and has made application to the Town for approval of annexation and zoning of the Property;

WHEREAS, the Parties recognize that the land use fees as specified by the Municipal Code of the Town may not be adequate to fully cover the Town's expenses incurred during the application process, including but not limited to, legal publications, notices, reproduction of materials, public hearing expenses, recording of documents, planning fees, engineering fees, attorney fees, special consultant fees, and fees for administrative time of Town staff as provided for in Sections 15-1-110; 16-3-20; 16-5-10; 16-5-40; 17-6-120 and 17-7-70;

WHEREAS, the Parties hereto recognize that the Town will continue to incur expenses through the entire development review process until final completion of the development including but not limited to: legal publications, notices, reproduction of materials, public hearing expenses, recording of documents, planning fees, engineering fees, attorney fees, special consultant fees, and fees for administrative time of Town staff, security, permits and easements; and

WHEREAS, the Town has customarily incurred significant expenses associated with ensuring an applicant's compliance with design and construction specifications for public improvements, such as roads, drainage improvements, and water and sanitary sewer improvements, and these expenses oftentimes exceed the land use fees paid by the applicant as part of the customary review processes.

NOW THEREFORE, for and in consideration of the foregoing premises and of the mutual promises and conditions hereinafter contained, it is hereby agreed as follows:

1. The Town has collected or will collect certain annexation and land use fees from the Applicant and the Town will apply those fees against the development review expenses incurred by the Town while processing the Applicant's development review application. The Parties recognize

that the land use application fees and costs specified by the Municipal Code of the Town of Platteville cover the typical or standard administrative processing expenses of the Town for routine projects. These fees may not be adequate to fully cover the Town's expenses in considering the Applicant's application and project. In the event the Town incurs development review expenses greater than the monies collected from the Applicant, the Applicant agrees to reimburse the Town for the additional expenses and fees upon submittal of an invoice. For purposes of this Agreement, "Application" shall mean and include all documentation, data, and information submitted to the Town in order to seek or obtain approval of development of or land use approval for the Property, including but not limited to site plans, engineering and surveying documentation, engineering and other professional reports and studies, and any construction documentation required to authorize the construction of public or other improvements within the Property.

2. Applicant shall pay all invoices submitted by the Town within ten (10) days of the Town's delivery of such invoice. Failure by the Applicant to pay any invoice within the specified time shall be cause for the Town to cease processing the Application, cease development of the Property, deny approval of the Application, withhold the issuance of building permits or certificates of occupancy and for the Town to exercise such rights and remedies as are otherwise available to it in law or equity or under the applicable provisions of the Town Code.
3. Except where the law or an agreement with the Town provides otherwise, the Applicant may terminate its application at any time by giving written notice to the Town. The Town shall take all reasonable steps necessary to terminate the accrual of costs to the Applicant and file such notices as are required by the Town's regulations. The Applicant shall be liable for all costs incurred by the Town in terminating the processing of the Application.
4. If the Applicant fails to pay the fees and costs required herein when due, the Town may take those steps necessary and authorized by law to collect the fees and costs due, in addition to exercising those remedies set forth in Section 2, above. The Town shall be entitled to recover from the Applicant all court costs and attorneys' fees incurred in collection of the balance due, including interest on the amount due from its due date at the rate of 18% per annum.
5. The Town will account for all funds expended and fees and expenses incurred by the Town as a result of the development review of the Application throughout the development process. 6. Applicant's obligation to pay the costs and expenses provided for in this Agreement shall exist and continue independent of whether the Application, or any part thereof, is approved, approved with conditions, denied, withdrawn, or terminated by the Town or the Applicant prior to a final decision in the process. The Applicant agrees to pay all expenses regardless of whether the Town approves or denies the Application. The Town shall not be estopped or otherwise limited or

precluded from denial or conditional approval of the Application by the terms, conditions, or obligations of this Agreement.

IN WITNESS WHEREOF, the Town and the Applicant have caused this Agreement to be duly executed on the day and year first above written.
