CHARTER INDEX

PREFATORY SYNOPSIS

The Rifle Charter Convention was elected on the 26th day of March, 1963, under the authority and the method set out by Article XX of the Constitution of the State of Colorado. The twenty-one elected members have been charged with the responsibility of drawing a document to prescribe the form and substance of Home Rule Government for the City of Rifle.

The delegates to the convention have viewed their task as one of great responsibility.

Two objectives have been uppermost in the minds of the members of the charter convention:

First: That the Charter must reserve to the people of Rifle the absolute right and power of self-government under the home rule provisions of the State Constitution.

Second: That the Charter must insure the orderly and economical management of the new government of Rifle, guided and controlled by the people through their elected representatives.

To these ends, the Charter provides for a Council-Manager form of government for our City and provides for the appointment of a City Manager, who will serve at the exclusive pleasure of the Council, with powers and duties as provided by the Charter and by the Council.

Under the Charter, the City Council will be responsible to the people, will be legislative in function, and enact ordinances for the good government of the City. The Council will consist of seven members, elected from the City at large in such a manner as to achieve overlapping terms, thus providing for continuity of city government.

All ordinances now in effect will remain in effect unless superseded by the provisions of the Charter, or hereafter amended and repealed by the City Council.

To insure the greatest possible control of governmental process by the people, provision is made in the Charter for the direct democratic techniques of initiative, referendum, and recall. These methods provide the means whereby the people can, if they wish, directly control the legislative process and recall any elected official who proves himself unsatisfactory.

Modern budget-making and fiscal procedures are included to insure that the city government will always operate as economically as possible and with the maximum degree of financial responsibility. The Manager will be the principal budget-making officer, subject to approval of the budget by the Council.

The Charter may be amended when need arises in accordance with provisions of the State Constitution. However, the convention believes the Charter is so written that it will serve the needs of Rifle for many years to come and will provide a sound, economical governmental structure.

The aims for the city government of Rifle and the scope of this Charter are not confined to the present, but are set out in this document to last for many generations, subject to the right of the people to make necessary changes to meet the possible unforeseen requirements of the future.

The Charter is designed to meet the continuing needs of a growing City and have a high quality of government.

This Charter guarantees and vests the final voice of city government in the people of Rifle.

PREAMBLE

We, the people of Rifle, Colorado, under authority granted by the Constitution of Colorado, do ordain and establish this Charter for the City Government of Rifle.

Copies of the above audit shall be made available for public inspection at the office of the City Clerk.

ARTICLE IV

ORDINANCES

4.1 WHEN REQUIRED

All legislative enactments of the Council must be in the form of ordinances. Legislative enactments as used herein shall include, but not be limited to, every act making an appropriation, levying a tax, authorizing the borrowing of money, creating an indebtedness, establishing any rule or regulation for the violation of which a penalty is imposed, or placing any burden upon or limiting the use of private property.

4.2 VOTING

The "ayes" and "nays" shall be taken upon the passage of all ordinances and entered upon the minutes, or records of the Council proceedings. Every ordinance except as otherwise provided in this Charter shall require the affirmative vote of a majority of the entire Council entitled to vote for final passage, and a majority vote of the Council present for passage on any reading prior to final passage.

Every member when present must vote upon ordinances, except that a member who has a personal or private interest in any ordinance proposed or pending before the Council shall disclose this fact to it, and shall not be entitled to vote thereon, provided should any member, entitled to vote hereunder, fail to vote, his vote shall be recorded in the affirmative.

4.3 FORM OF ORDINANCE

Every ordinance shall be introduced in written or printed form. The enacting clause of all ordinances shall be, THE COUNCIL OF THE CITY OF RIFLE, COLORADO, ORDAINS.

4.4 PROCEDURE OF PASSAGE

The course that an ordinance shall take for passage shall be:

- (a) Introduction at any regular or special meeting by any member of the Council.

(b) Reading in full, unless otherwise provided in this Charter.

(c) Passage or rejection on first reading by a roll call vote of the Council.

(d) If passed on first reading, it shall be published by title, together with a notice that the proposed ordinance is on file in the office of the City Clerk for inspection, and further, that it will come before the Council for final passage at the next regular Council meeting.

(e) Introduction a second time at a regular meeting not earlier than seven days after publication for final passage or rejection by a roll call vote of the Council. An ordinance may be amended before final passage by a roll call vote of the Council.

(f) An ordinance shall be published in full after final passage.

(g) Appropriation ordinances are excepted from the provisions of (d) and (e) above. The annual appropriation ordinance may be introduced, read in full, and passed at a meeting of the Council on or before the regular meeting of November of each year.

(h) An ordinance, when passed, shall take effect and be in force ten days after final publication, except for ordinances necessary for the immediate preservation of the public peace, health, or safety, which said excepted ordinances shall take effect immediately upon passage on one reading without publication and such excepted ordinances shall be published as soon as reasonably possible thereafter; provided, however, said excepted ordinances must be approved by 75% of the Council Members present. A recitation in any such excepted ordinance that the Council deems the passage of said ordinance to be for the immediate preservation of public peace, health or safety shall be conclusive.

(i) Any ordinance, in the passage of which the required publications were effected by posting as set forth in Section 13.17(d), shall be published in full, unless otherwise provided in this Charter, in a newspaper of general circulation within the City as soon as such newspaper publication is available; but such required newspaper publication of an ordinance, or of any notice of public hearing called in connection with the passage of said ordinance, shall not be a requirement for the effectiveness of any ordinance so passed.

(Regular Municipal Election, September 2003; Ord 21-03 §3)

4.5 DISPOSITION

A true copy of every ordinance, as adopted by Council, shall be numbered and recorded, and adoption and publication shall be authenticated by the signature of the Mayor and the City Clerk and by the certificate of the publisher, respectively.

4.6 CODIFICATION

Within three years after the effective date of this Charter, the Council shall direct and complete the codification of the permanent ordinances of the City and shall cause a recodification to be made at least every ten years. Such codification need not be published, but shall be prima facie evidence of the contents of the ordinances so codified.

All additions or amendments to the Code shall be adopted by ordinance, and when passed in such form as to indicate the intention to make the same a part of the municipal code, shall be deemed to be incorporated in such Code.

4.7 CODES PUBLISHED BY REFERENCE

Standard codes, promulgated by the Federal Government, the State of Colorado, or any agency of either, or by any municipality within the State of Colorado, including the City of Rifle, or by recognized trade or professional organizations, or amendments or revisions thereof may be adopted by reference; providing the publication of the adopting ordinance shall advise that copies of the code to be adopted by reference are available for inspection at the office of the City Clerk and providing that any penalty clause in said codes may be adopted only if set forth in full and published in the adopting ordinance.

4.8 SEVERABILITY OF ORDINANCES

Unless an ordinance shall expressly provide to the contrary, if any portion of an ordinance or the application thereof to any person or circumstances shall be found to be invalid by a court, such invalidity shall not affect the remaining portions or applications of the ordinance which can be given effect without the invalid portion or application; provided such remaining portions or applications are not determined by the court to be inoperable, and to this end ordinances are declared to be severable.

4.9 RESOLUTIONS AND MOTIONS

All actions of the Council not required by this Charter to be in the form of ordinances, including without limitation the action of the Council in calling a special election, may be in the form of resolutions and motions, on which the "ayes" and "nays" shall be taken and recorded on the minutes. Every member when present must vote upon resolutions and motions, except that a member who has a personal or private interest in any resolution and motion proposed or pending before the Council shall disclose this fact to it, and shall not be entitled to vote thereon; provided should any member, entitled to vote hereunder, fail to vote, his vote shall be recorded in the affirmative.

ARTICLE V

INITIATION, REFERENDUM AND RECALL

5.1 INITIATION AND REFERENDUM

An ordinance may be initiated by petition, or a referendum on an enacted ordinance may be had by petition, or the Council may, on its own motion, submit an ordinance to the electorate as hereafter provided.

5.2 PETITION REQUIREMENTS

An initiation or referendum petition shall be signed by qualified electors in a number not less than ten percent of the number of persons who were registered electors of the City, as of the date of the last regular City election, and all signatures on said petition shall be obtained within twenty-one days before the date of filing the petition with the Clerk. Any such petition shall be addressed to the Council and may be the aggregate of two or more petition papers identical as to content and simultaneously filed by one person. An initiation petition shall set forth in full the ordinance it proposes to initiate, and no petition shall

propose to initiate more than one ordinance. A referendum petition shall identify the ordinance or part thereof or code section it proposes to have repealed and shall be filed with the Clerk no later than the effective date specified in Section 4.4(h). Each signer of a petition shall sign his name, the date and his place of residence by street and number, or by other customary designation. To each petition paper, there shall be attached a sworn affidavit by the circulator thereof stating the number of signers thereof, and that each signature thereon is the genuine signature of the person whose name it purports to be, and that it was made in the presence of the affiant. Such petition shall be filed with the Clerk who shall within fifteen days, canvass the signatures thereon. If the petition does not contain a sufficient number of signatures of qualified electors of the City, or any other error or insufficiency shall be found in the petition, the Clerk shall notify forthwith by registered mail the person filing such petition and fifteen days from such notification shall be allowed for filing of supplemental or corrected petition papers. When a petition with sufficient signatures is filed within the time allowed by this section, the Clerk shall present the petition to the Council at its next regular meeting.

(Regular Municipal Election, September 1997; Ord 33-97 §3)

5.3 COUNCIL PROCEDURE ON INITIATION AND REFERENDUM PETITIONS

Upon presentation to the Council of an initiation or referendum petition by the Clerk, the Council shall, within thirty days, either:

- (a) Adopt the ordinance as submitted by an initiation petition,
- (b) Repeal the ordinance, or part thereof, referred to by a referendum petition, or
- (c) Determine to submit the proposal provided for in the petition to the electors.

5.4 SUBMISSION OF INITIATION AND REFERENDUM ORDINANCES TO ELECTORS

Should the Council decide to submit the proposal to the electors, or should they, on their own motion, submit an ordinance to the electors, it shall be submitted at the next regular City election held in the City for any other purpose, or in the discretion of the Council at a special election called for that specific purpose. In the case of an initiation petition, if no election is to be held in the City for any other purpose within one hundred fifty days from the time the petition is presented to the Council, and it does not enact the ordinance, then the Council shall by resolution, call a special election within sixty days from such date of presentation for the submission of the proposal. The result of all elections held under the provisions of this section shall be determined by a majority vote of the electors voting thereon.

5.5 MISCELLANEOUS PROVISIONS ON INITIATION AND REFERENDUM PETITION

An ordinance adopted by the electorate may not be amended or repealed for a period of six months after the date of the election at which it was adopted, and an ordinance repealed by the electorate may not be re-enacted for a period of six months after the date of the election at which it was repealed; provided, however, that any ordinance may be adopted, amended or repealed at any time by appropriate referendum or initiatory procedure in accordance with the foregoing provisions of this Charter, or if submitted to the electorate by the Council on its own motion. If two or more ordinances adopted at the same election shall have conflicting provisions, the provisions in the ordinance receiving the highest number of affirmative votes shall govern.

5.6 ORDINANCES EXCEPTED

Anything to the contrary notwithstanding, ordinances authorizing the issuance of bonds, levying taxes, the annual appropriation ordinances and those ordering improvements initiated by petition to be paid for by special assessments and those declaring an emergency shall be excepted from the referendum.

5.7 RECALL

Every elective public officer of the City may be recalled at any time after six months in office by the electors entitled to vote for a successor of such incumbent through the procedure and in the manner provided for in Article XXI of the Constitution of the State of Colorado.

5.8 RECALL PROCEDURE BY COUNCIL

The Council may provide by ordinance such further procedure as may be deemed necessary as long as it is not inconsistent with the Constitution of the State of Colorado or this Charter. However, in no event shall an ordinance require any recall petition to be signed by more than twenty-five per cent of the electors of the entire vote cast at the last preceding election for all candidates for the office.

After one recall petition and election, no further petition shall be filed against the same officer during the term for which he was elected, unless the petitioners signing said petition shall equal fifty per cent of the votes cast at the last preceding general election for all the candidates.

9.3 SCOPE OF THE BUDGET

The budget adopted by the Council shall contain:

(a) An estimate of anticipated revenue from all sources other than the tax levy for the ensuing year.

(b) An estimate of the general fund cash surplus at the end of the current fiscal year, or of the deficit to be made up by appropriation.

The City Manager shall include those projects previously considered and not abandoned and give his reasons therefor. This report may be a part of the budget or a separate report attached thereto.

(g) A balance between the total estimated expenditure, including any deficit to be met, and moneys set aside for public improvements and total anticipated revenue, plus any surplus. All estimates shall be in detail showing revenues by source, and expenditures by organizational units, activities, character and object.

9.4 BUDGET HEARING

On receipt of the proposed budget, the Council shall set a day for the hearing of the budget and shall show that such proposed budget is open for inspection by the public at the office of the City Clerk. Notice of the time and place of such hearing shall be published at least once ten days prior to such hearing.

9.5 ADOPTION OF THE BUDGET

After said public hearing and before the last day of October of each year, the Council shall adopt by resolution the budget for the ensuing fiscal year and shall fix the tax levy.

9.7 CERTIFICATION OF TAX LEVY

Not later than the last day of October of each year, or such other date required by law, the Council shall fix the amount of tax levy which shall be assessed upon each dollar of assessed valuation of all taxable property within the corporate limits of the City, and shall cause the same to be certified to the County as required by law. If the Council should fail in any year to make such levy as above provided, the rate last fixed shall be the rate for the ensuing fiscal year, which rate shall be levied as by law provided.

9.8 GENERAL FUND

There is hereby established a fund to be known as the general fund. All revenues not specifically allocated to any other fund shall be placed in the general fund. All general functions of the City shall be financed by expenditures from the general fund.

No such transfer shall be made without the express approval of the Council, and then only for expenditures which could not be readily foreseen at the time the budget was adopted.

9.10 SPECIAL FUNDS

Additional funds which shall be known as special funds shall be created by ordinance to provide for moneys to be held for special purposes, such as: depreciation and obsolescence; debt service; equipment and building replacement; special services; local improvements; city-owned utilities; trust funds and endowments; and such other purposes as the Council may determine.

Appropriations for construction or other permanent improvements from the capital project fund shall not lapse until the purpose for which the appropriation was made shall have been accomplished or abandoned; unencumbered balances from projects accomplished or abandoned shall be used for payment of any outstanding bond indebtedness of the City, or if none, to any other fund.

9.12 TRANSFER OF FUNDS

The City Council may, by the affirmative vote of five or more of the Council, transfer any unencumbered appropriation balance, or portion thereof, from one department to another at any time; except that no transfer shall be made from any sinking fund, encumbered fund, or capital project fund. The funds held under the perpetual care ordinance (No. A-14, Town of Rifle) shall be devoted exclusively to the perpetual care of the lots in the Rose Hill Cemetery as now provided by the ordinance.

9.13 ADDITIONAL APPROPRIATIONS

The Council may make additional appropriations by ordinance during the fiscal year for unanticipated expenditures required of the City, but such additional appropriations shall not exceed the amount by which actual and anticipated revenues of the year are exceeding the revenues as estimated in the budget, unless the appropriations are necessary to relieve an emergency endangering the public health, peace or safety.

9.14 INVESTMENTS

Funds on hand which are not then needed in the conduct of the affairs of the City may be invested in securities which are legal investment for public funds under Statutes of the State of Colorado in force at the time of such investment.

Indebtedness and obligations of the City shall be incurred and limited as provided in Articles XI and XX of the Constitution of the State of Colorado, applicable to towns and cities, except as otherwise provided in this Charter. The Council shall have power to issue general obligation bonds of the City for any public purpose upon the affirmative vote of a majority of the registered electors of the City voting thereon, at any special or general election; provided, however, that sewer bonds as well as water bonds need not be so authorized. The total outstanding general obligation indebtedness of the City, other than water bonds or sewer bonds, shall not at any time exceed three per cent of the assessed valuation of the taxable property within the City as shown by the last preceding assessment for tax purposes. Bonds of the City, other than water bonds and sewer bonds, shall mature in not more than twenty-five years from date and shall be payable in annual installments commencing not later than five years after the date of issue of said bonds. Water bonds and sewer bonds shall mature and be payable as provided by the ordinance authorizing the issuance of said bonds.

(Regular Municipal Election, September 1997; Ord 33-97 §4)

10.2 REVENUE BONDS

The Council shall have power to issue revenue bonds to provide for improvement or extension of water or sewer systems, if said bond shall be payable solely out of the revenues derived from the operation of the water system or the sewer system or both the water system and the sewer system, and to create enterprises having the authority to issue their own revenue bonds for such purposes. All other revenue bonds for any public purpose shall be issued upon the affirmative vote of a majority of the registered electors of the City voting thereon, at any special or general election.

(Regular Municipal Election, September 1997; Ord 33-97 §5)

10.3 REFUNDING BONDS

The Council may authorize, by ordinance, without an election, issuance of refunding bonds for the purpose of paying or providing for the payment by escrow deposit, or otherwise outstanding bonds of the City, including special improvement bonds.

10.4 SPECIAL AND LOCAL IMPROVEMENT DISTRICTS AND CONSTRUCTION OF IMPROVEMENTS THEREIN

The City Council shall have the power to establish, by ordinance, improvement districts for the construction of special or local improvements of every kind and character, in the following manner, to-wit:

(a) By order of the Council upon its determination that such improvement is necessary for the preservation of the public peace, safety, health or welfare.

(b) On a petition by the owners of more than fifty per cent of the area of the proposed district, provided that such majority shall include not less than fifty per cent of the landowners residing in the territory.

In either event, a public hearing shall be held at which all interested parties may appear and be heard. The improvement district proposal shall be published in a newspaper of general circulation in the City of Rifle and shall fix the time and place for such public hearing. Publication shall take place not less than seven days nor more than fourteen days prior to said hearing, and during this period a notice or summary thereof shall be mailed to each property owner affected. At the conclusion of the public hearing, the Council shall consider all protests and shall establish or reject all or any part of the proposed district as the interests of the petitioners and the general public may best be served.

The establishing ordinance shall prescribe the method and manner of making such improvements, the letting of contracts therefor and the assessing of the cost thereof. The ordinance shall provide for issuing and paying special improvement bonds to defray the costs and expenses of the organization of said district and of the construction or installation of said improvements. Property owners shall have the right to pay their individual assessments in full without interest upon certification of the assessment to the County Treasurer.

(Regular Municipal Election, September 1997; Ord 33-97 §6)

10.5 SPECIAL OR LOCAL IMPROVEMENT DISTRICT BONDS—SPECIAL SURPLUS AND DEFICIENCY FUND

When all outstanding bonds have been paid in a special improvement district and any money remains to the credit of said district, it may be transferred to a Special Surplus and Deficiency fund.

Whenever there is a deficiency in any improvement district to meet payment of outstanding bonds and interest due thereon, it may be paid out of said fund.

Whenever a special or local improvement district has paid and canceled three-fourths of its bonds issued, and for any reason the remaining assessments are not paid in time to take up the remaining bonds of the district and interest due thereon, and there is not sufficient money in the special surplus and

deficiency fund, then the City may pay the bonds when due and interest due thereon and reimburse itself by collecting the unpaid assessments due the districts.

(Regular Municipal Election, September 1997; Ord 33-97 §7)

10.6 SPECIAL OR LOCAL IMPROVEMENT DISTRICT BONDS—GENERAL BENEFITS

In consideration of general benefits conferred on the City at large from the construction or installation of improvements in special or local improvement districts, the City Council may levy annual taxes on the taxable property within the City, not exceeding two mills in any one year, to be disbursed as determined by the City Council, for the purpose of paying for such benefits, for the payment of any assessments levied against the City itself in connection with bonds issued for special or local improvement districts, and for the purpose of advancing money to maintain current payments of interest and equal annual payments of the principal amount of bonds issued for any special or local improvement district hereafter created. The proceeds of such taxes shall be placed in a special fund and shall be disbursed only for the purposes specified herein, provided however, that in lieu of such tax levies, the City Council may annually transfer to such special fund any available money of the City, but in no event shall the amount transferred in any one year exceed the amount which would result from a tax levied in such year as herein limited. As long as any bonds issued for special or local improvement districts hereafter organized remain outstanding, the tax levy or equivalent transfer of money to the special fund created for the payment of said bonds shall not be diminished in any succeeding year until all of said bonds and the interest thereon shall be paid in full, unless other available funds are on hand therefor, or such bonds and interest are paid by the City as required in Section 10.5 of this Charter.

10.7 BOND SALES—LIMITATIONS

All bonds issued pursuant to the provisions of this Charter shall be sold at public or private sale as determined by the Council for the best advantage of the City. Each bond issue may contain provisions for the redemption of bonds prior to their respective maturity dates on such terms as may be provided by the City Council, including, without limitation, the payment of a premium.

(Regular Municipal Election, September 1997; Ord 33-97 §8)

City's need for such year, they may, be resolution unanimously adopted, authorize an increased levy above such limit; provided that such increased levy shall not exceed an additional five per cent unless authorized by a special election.

11.3 LIMIT ON TAX POWERS OF THE CITY

Until the Council shall otherwise provide by ordinance, the County Treasurer shall collect City taxes in the same manner and at the same time as State taxes are collected. In like manner, the Council may provide for collection of special improvement assessments by said Treasurer. All laws of this State for the assessment of property and the levy and collection of general taxes, sale of property for taxes, and the redemption of the same, shall apply and have as full effect in respect to taxes for the City as of such general taxes, except as modified by this Charter. The County Treasurer shall report and pay to the City the amount of tax collections of the City for the preceding month. The estimated costs of tax collections and losses shall be included in the budget.
