<i>Purchaser</i>	<i>Fee</i>	<i>Requirements</i>		
		<i>GIS License Agreement</i>	<i>IGA</i>	<i>Contract</i>
Any authority for whom Weld County collects taxes	Waived	✓	✓	
Non-Weld County government agencies	Full	✓	✓	
Surveyors	Waived	✓		✓
Commercial	Full	✓		

Inter-Governmental Agreements will specify "GIS-usable" data exchange with entities; e.g., DXF/DWG files of subdivisions, annexations and boundaries from municipalities, GPS survey points and section corners from municipalities and other government agencies.

Contracts with surveyors will specify what contribution of data and/or time will be made by the surveyor in exchange for fee waivers. The GIS Department will review all contributions proposed by surveyors in order to assess the quality and/or suitability of the proposed contributions and to determine if those contributions would substantially improve the quality or content of Weld County's GIS. If they do not, no fees for digital data will be waived.

Fee waivers apply to digital data products only.

29.	For those applications for uses identified to be of high complexity or intensity where a determination is made that County staff will be committing time and resources in excess of the established application fee, the Department of Planning Services may request an applicant to submit a fee in excess of the identified fee. The fee shall be escrowed and amounts charged against it by the County based on the standard hourly rate for each department administering or reviewing the permit. The departments shall include, but not be limited to, the Department of Planning Services, the Health Department, the Department of Public Works and the County Attorney's Office. The standard hourly rate shall be established by the Finance Department for the actual time spent on the review of the application. The applicant shall be provided copies of the billing 5 days prior to the cost actually being billed against the escrow account and the applicant. The applicant's sole remedy to appeal any billing shall be to the Board of County Commissioners. The unused portion of the submitted application fee held in escrow shall be returned to the applicant within 30 days of recording the special review plan map, or within 30 days after denial of the application by the Board of County Commissioners, or 30 days after the applicant submits a written request to withdraw the application.	

¹ *Animal units* as defined in Section 23-1-90 of this Code.

² The fee to amend an application for a Special Review Permit for Solid Waste Disposal Sites and Facilities shall not exceed \$20,000.00. The full amount shall be submitted to the Department of Planning Services at the time a complete application is submitted. The full amount shall be escrowed and amounts charged against it by the County based on the standard hourly rate for each department administering or reviewing the permit. The departments shall include, but not be limited to, the Department of Planning Services, the Health Department, the Department of Public Works and the County Attorney's Office. The standard hourly rate shall be established by the Finance Department for the actual time spent on the review of the application and facility. The applicant shall be provided copies of the billing 5 days prior to the cost actually being billed against the escrow account and the applicant. The applicant's sole remedy to appeal any billing shall be to the Board of County Commissioners. The unused portion of the submitted application fee held in escrow shall be returned to the applicant within 30 days of recording the amended special review plan map, within 30 days after denial of the application by the Board of County Commissioners, or 30 days after the applicant submits a written request to withdraw the application.

³ 25% of this fee is due at the time of application and the remaining 75% is due at the time of building permit issuance.
